## President's Message

Greetings Fellow Rotarians!

Did you know that August is Membership and New Club Development month? This would be a great time for you to think about who you would like to see on a regular basis! Who would you like to have lunch with weekly? Who would you like to work on a Committee or Project with? Whoever that is – invite them to a meeting!

Why did you join Rotary? The two original reasons Rotary began in 1905 were Friendship/Fellowship and Business Development. There are many other reasons as well: Service Opportunities, Leadership Development, Personal Growth and Development, Fun, Citizenship in the Community (just to name a few!). Who do you know that is looking for these opportunities?

Also, here is our August line-up of programs. If you know somebody that would be interested in these topics – invite them!

August 5 – Northwest Schools – Reopening plans

August 12 – Nathan Triplett – Rotary District Governor

August 19 – Fellowship

August 26 – YMCA Updates – Shawna Tello

There are a few service opportunities coming up. We have two ramps this month – August 8 and August 29. It looks like we can begin serving at the Interfaith Shelter starting September 8 – so stay tuned for more information on that.

For Fun, Fellowship, Friendship - Don't forget the Golf Outing on September 9 at Lakeland Hills!

We now have Foundation Co-chairs – Manya Otis and Bob Michaels. You will be hearing from them monthly with updates and information on our Local Foundation, the District Foundation and Rotary International Foundation.

We will continue to meet at the Urban Fishery Pavilion for the month of August and are planning to continue with Zoom meetings as well, thanks to Bob Reizner. We were lucky with the July weather – keep your fingers crossed for good weather in August!

Yours in Rotary Service,

President Dianna

June 6, 2020

My dear friends,

I must tell you how honored and humbled I feel by the Lifetime Achievement Award and your generous resolution.

This is unique. I don't recall Jackson Rotary ever honoring anyone in this way - among all the distinguished leaders who have guided the club through the years.

You know how much Rotary means to me - many friendships and opportunities that have enriched my life, and what Rotary is and has meant to our community and to the world while I have been with you.

I hope to remain a member of Jackson Rotary as long as I live. I hope, too, to be able to be with you in person within a few months to tell you what this honor means to me. Until then, I thank you from the bottom of my heart.

Most sincerely,

Dick

## Food Grant for Baby Formula

### Jackson County Health Department

1715 Lansing Avenue - Jackson, MI 49202 - Phone (517) 788-4420 - Fax (517) 788-4373

June 22, 2020

Rotary Club of Jackson  
Attention Lesia Pikaart  
409 Linden Street  
Jackson, MI 49203 for the gracious

Dear Lesia:

I want to thank you for the gracious donation of baby formula for the population who need it the most in our county. We conduct Women, Infant, and Children (WIC) Clinics through the Health Department. Clients enrolled in this program are also connected to other resources in our county - one of those connections being Partial to Girls clients.

The Rotary's generous donation of formula will be used to help Partial to Girls clients who are also enrolled in WIC. Both programs assist women and children to obtain essential items and services, nutrition information, assistance for their babies, etc. We received approximately \$2000 worth of formula delivered to the Health Department. The Health Department then coordinated getting the formula to Partial to Girls clients.

We appreciate the generosity of the Rotary Club and for recognizing these may be challenging times for mothers and babies in our community. It is our fervent hope that as this pandemic continues, we can both continue to support and assist families who are most in need.

Please extend our sincerest appreciation to your service-oriented members and help convey our deepest gratitude for the selflessness and generosity your service club bestows on this community.

Sincerely,

Rashmi Travis, MPH, CHES
